

Meet Yodel

Self-Service Ticketing and Pass Application for Fairs and Events

Save time and money while improving customer service with a simple, safe and secure platform trusted nationwide.

Comprehensive,
Reliable Ticketing
& Pass Solution

Our pass and ticketing solutions help you grow your visitor base, handle the rush of high demand sales, provide seamless scanning entry experiences, and more.

Tickets

From the grandstand to the gate, we give you the tools to manage and process tickets across all your events, even during heavy load times.

Passes

Sell, distribute and validate a diverse set of passes in a contactless environment. Say goodbye to the lost wrist band.

Parking

From ticketing to scanning and reporting, our mobile solutions make purchase, transfer, and entry simple, safe, and secure for your patrons.
