

Meet Yodel

Self-Service Ticketing and Pass Application for Waterparks

Save time and money while improving customer service with a simple, safe and secure platform trusted nationwide.

They want to get wet and have fun.
You want to make it easy and profitable.
Yodel makes it happen!

Say goodbye to scanning tickets and passes, long lines and lost passes. Save money by removing paper processes and including legal waivers into the purchase process.

Tickets

Day Off, Flex Tickets and Timed Entry. Yodel delivers almost any ticket configuration.

Passes

Digitize any pass type, including season, annual and weekly or day pass. Sell, deliver and validate in the Yodel digital wallet.

Parking

From ticketing to scanning and reporting, our mobile solutions make purchase, transfer, and entry simple, safe, and secure for your patrons.
